# ACTION !

---

## **Are you tired of paying excessive prices for your videos or tinkering with your Iphone?**

We invented the 360Box to answer 2 essential needs :

### **#1 Studio in your company**

You record as many video as you want, in full autonomy and without any editing, from 35€ per day.

### **#2 Automated mobile control room**

We manage the technical aspects of your events of all sizes\* - conferences, road shows, live streamings - allowing you to save tens of thousands of euros.

Do not hesitate to contact us for a free personalized diagnosis.

Best regards,

**Eva**

\* We are, for example, partner of the European Convention Center of Luxembourg
